* Late applications may be considered on case by case basis.

Course Selection

Language of Instruction:

If taking courses in Spanish we highly recommend students to have a B2 level or at least one year of university-level Spanish with good reading and listening skills. Every semester we offer between 30-40 regular courses in English across all our programs, we highly recommend a TOEFL 90 or IELTS 7.0.

ITAM’s Summer School courses and short courses are taught fully in English.

Spanish Language Courses are offered for credit at different levels during most semesters. Levels available depend on the number of students registered for the courses.

* Spanish classes are free of charge for exchange students from partner institutions.

As of August 2015 a specialized writing course was implemented across the entire institution for all degree seeking students. Exchange students who already speak Spanish are eligible to join this writing and grammar course with regular Mexican students.

Language support is also available through the CARLE, ITAM’s Center for Writing and Language which offers specialized Software for Spanish as a Second Language, Spanish Composition for native speakers, as well as training in other languages.
Housing

Housing is not owned or operated by ITAM but the International Office provides assistance by finding off-campus housing options. There are many fully furnished student residences within walking distance from ITAM. Options depend on price range and features desired by the student.

The International Office works with each individual student to find the preferred accommodation but once selected, the student is directly responsible for the lease.

Visa

ITAM will provide letter of acceptance and necessary documentation to obtain a student visa but all prospective exchange students should check with their nearest Mexican consulate about visa requirements.

www.sre.gob.mx

IMPORTANT: Student visa holders must register and pay approximately US$55.00 fee within 30 days upon arrival in Mexico.

STUDENTS FROM SOME COUNTRIES WHO APPLY FOR SHORT PROGRAMS (UNDER 180 DAYS) MAY ENTER THE COUNTRY ON A TOURIST VISA.

Insurance

Students must have an international medical insurance with a coverage of at least $100,000 USD with a repatriation clause valid in Mexico and a COVID 19 clause. If not proof of insurance is submitted, students will be charged for ITAM’s insurance policy at a cost of around US $250.00 per semester.
